

HOW YOU CAN MAKE A DIFFERENCE

Sponsors around the world support Fruit Bearers Ministries. Your generosity helps to provide special education opportunities to the children of Negros Oriental who are in areas difficult to access.

Sponsorships allow Fruit Bearers Ministries to provide medical attention, education, transportation, and help to feed the child and his family. We encourage you to visit our website to learn more about this ministry and to research sponsorship opportunities.

WHY WE DO... ...WHAT WE DO

Our Mission:

Fruit Bearers provides educational, medical, vocational, and spiritual resources for deaf, blind, crippled, and otherwise disabled children of the mountains and far-flung places of Negros Oriental, Philippines.

Our Values:

Jesus used the image of trees producing a harvest of fruit as a sign that they are giving glory to God. He likens us to the trees, and in John 15:8 Jesus says, **“When you bear much fruit, you bring glory to my Father and you prove to be my disciples.”** We believe bearing fruit can be defined as an act of goodness or kindness done in Jesus’ name. We have the privilege of being Fruit Bearers in a beautiful part of the world as we share Jesus with children affected by disabilities in the Philippines.
